## SEPARATED FAMILIES / SPLIT PAYMENTS

The College does not split tuition fees or other charges between parents, guardians, or third parties and will issue a single account for each student. While the College is happy to accept separate payments from families where parents or guardians have agreed to share the cost of fees, these arrangements remain a private matter between the parties.

As outlined in the Enrolment Agreement, the person(s) who sign the agreement are jointly and severally liable for all fees and charges associated with the student's enrolment. This means that each signatory is individually responsible for ensuring that the full amount of fees is paid, regardless of any private arrangements, parenting agreements, or court orders relating to the allocation of educational expenses.
